Subject: Assistant Administrator

I am happy to announce that the new Assistant Administrator for Abandoned Housing will start on Monday, February 8th. Please help me in welcoming Reggie Walton to our team.

Reggie comes to us with 7 years of construction management and leadership experience. Reggie has a strong history of working with neighborhood groups and community issues. He is currently a Development Project Manager for the Department of Code Enforcement and prior to that, he was a Project Engineer for a for-profit company. Reggie also has experience in governance and over site as a board member of various non-profit organizations.
