Owner Biographies

Aaron Adams

Aaron Adams received a BA in History from Brigham Young University. Aaron is responsible for investor relations. He has developed an extensive network of fellow investors in Las Vegas, Nevada, southern New Jersey, Utah, and southern California. Retail food industry experience and a two-year mission to South America have developed his communication skills far beyond those of his MBA peers. He started his real estate career while attending graduate school in southern California when he bought and renovated a small duplex in Hemet, California. By the time his MBA course work (Cal Poly Pomona) was completed he had a thriving property management and real estate investment company. Aaron's diverse range of investment experience includes purchase and property management of mobile homes, single family and multiple family units. He currently owns properties in multiple states and is part of the Alpine Property Management LLC management team. He has spoken at real estate seminars across the country. Aaron holds a real estate brokers license in both Indiana and California. He is also part owner in Versatile Realty.

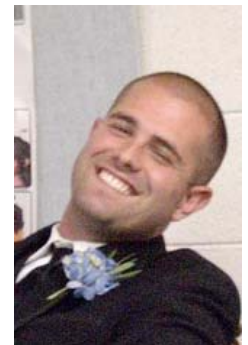

"I have know Aaron Adams for two years and have done a joint venture with him, funded deals for clients of his, had him scrub deals for other promoters in indy (verify neighborhood, rent, and scope of work), and used his services for property management. We have also used the same bank, insurance agent, closing attorney, and foreclosure attorney. Since real estate investing is a knucklehead riddled arena it is a pleasure to do business with Aaron as he does what he says he is going to do and understands both the details and the big picture of deals."
